### MESSAGE FROM GRAHAM MURRAY

I just wanted to take a moment to personally thank you all for being a part of our dental practice family. This year marks our 40th anniversary and we could not have done it without you!

For four decades, we have been dedicated to providing your dental care and oral hygiene and your support has made this incredible journey possible.

# 40<sup>th</sup>

In July we will be marking this special occasion with various events. So keep a look out next time you visit us. We look forward to many more years of keeping your smile healthy and bright!

We are excited to share that our dental practice is undergoing small refurbishments to enhance your experience!

We apologise for any inconvenience this may cause but rest assured these improvements are for your benefit.

We appreciate your patience and look forward to welcoming you to our refreshed and improved practice soon!

### TEAM EVENTS

To celebrate the end of the year the Murray Dental team had our Christmas party at Nailcote Hall Hotel and it was lovely to see everyone looking so glam and gorgeous.

In February some of the practice team members attended the theatre production of Cabaret in London. We set off early on the train, had amazing brunch at Dishoom in Covent Garden and an amazing time later at the Kit Kat Club.

As a practice we find it valuable to have these team building functions throughout the year as it gives us all a chance to relax and reconnect with each other as life in the practice can be so busy.

We would like to thank all our very generous patients who donated towards our Macmillan Cancer fundraising this year. We raised an incredible £342.33 toward this charity. This year we have decided we will be supporting the NSPCC with various events starting with the Summer Wolf Run. Please get involved with our competitions if you can.

**NSPCC**   
Cruelty to children must stop. **FULL STOP.**

Lets step into **Spring**

As spring arrives, it is an excellent time to rejuvenate your oral health routine

Just like the rest of your body your teeth need looking after and we think we have the answer for you.

Regular dental examinations and cleaning are important for preventing the development of disease and can also help save you money by catching decay at the earliest stages.

We believe that prevention is better than cure and our hygienist's function is to help prevent gum problems through regular check-ups, oral hygiene procedures and dietary advice.

Using the latest techniques and modern materials we are able to make your treatment more effective and comfortable.

Scheduling and completing your first cleaning early in the year can help you get off to a great start with your oral hygiene and keep you on track.

So put a spring in your step and a smile on your face and get the straight teeth you deserve!

You can count on the team at Murray Dental to offer you the very best in patient care and treatment and we have patients who have confidence in their teeth and smile for this very reason.

## TEAM NEWS

After much thought and careful consideration, Dr. Gurprit Jandu will be leaving Murray Dental in February. She has now decided to step back and focus on developing her own practice in Birmingham.

We wish her all the best in this exciting new chapter of her career!

Murray Dental will continue in providing your exceptional dental care and look forward to welcoming Dr Suneet Hayer to the Murray Dental team.

**We are delighted to welcome our new general and cosmetic dentist Dr Suneet Hayer.**

Suneet's passion is in delivering high quality Cosmetic and General Dentistry in a caring and relaxed manner. Her ability to connect with her patients and deliver great treatment for them make her very popular with our patients. She takes time to understand each patient's unique goals creating personalised treatment plans in a welcoming and calming environment.
